

TECHNICAL INFORMATION

50806

- Subject** ▶ Change on Gear Housing
- For Models** ▶ 4100NB,4100NC(Cutters) and 4200N(Circular saw)
- Description** ▶ Changed to the gear housing which has been used for 4100NH as illustrated below.

Note

The only difference between the current and the new is the difference in tolerance of the bearing chamber and the groove for O Ring.
And so no problem on interchangeability for repairing.

Interchangeability(I/C)

Item No.	Current part		Q'ty	I/C	New part		Q'ty	Note
4100NB:023 4200N :061	Gear Housing Complete 159218-1		1	Yes	Gear Housing Complete 159771-7		1
