

TECHNICAL INFORMATION

70425

- Subject** ▶ Change of Base
- For Models** ▶ 5903, 5903R (MME products)
- Country** ▶ All countries
- Description** ▶ Material of Base has been changed from magnesium to aluminum. Consequently, marking "Mg" indicated on the Base has been changed to "Al" for distinction between current Base and new one. Part number of the Base remains the same.

Interchangeability(I/C)

Item No.	Current part		Q'ty	I/C	New part		Q'ty	Note
5903: 065	Base		1	Yes	Base		1	
5903R: 071	316556-6				316556-6			

Implementation

Immediately upon completion of preparation
