- Subject** ▶ Modification of Change Lever
- For Models** ▶ 6216D, 6236D, 6316D, 6336D, 6343D
- Country** ▶ All countries
- Description** ▶ 1) As illustrated below, two projections have been added on the Change Lever so that the Speed Change Lever Assembly can catch the Change Lever firmly for smoother action of the Change Lever.  
Owing to this modification, the Change Lever can slide on the Gear Assembly even if dusts comes in to settle around the Change Lever.  
2) And the Gear Assembly has also been changed because it includes the Change Lever as its component.
