

Subject ▶ Change on Field

For Models ▶ 9020L, 9027, 9027L, 9027S, 9029, 9029S (Disc grinders)

Description ▶ As in the following figures 1, 2 & 3

▶ Current	▶ New
Motor housing ass'y (inc. support unit) Pt no. 125036-9, price _____	Motor housing ass'y (inc. field ass'y, etc.) Pt no. & price: See List 1 Description of components: See List 2
<p>(Fig. 1)</p>  <p>Lead wire of the field is fixed with a band.</p> <p>support unit</p>	<p>(Fig. 3)</p>  <p>Motor housing</p> <p>Lead ass'y (orange)</p> <p>Lead ass'y (purple)</p> <p>Insulated connector</p> <p>Lead wire (purple)</p> <p>Field ass'y (conventional "hand-bound" type)</p> <p>Lead wire (orange)</p> <p>Coil is bound up with white tape for protection against dust.</p>
Field (auto-bound type) Pt no. & price: See List 1	
<p>(Fig. 2)</p>  <p>Coil is NOT bound up with tape.</p>	

Interchangeability(I/C)

(List 1)

Item No.	Current part		Q'ty	I/C	New part		Q'ty	Note
3	Field 636001-8			No	Field ass'y 526011-2			115V (except 9020L & 9027L for U.S.A. & Canada)
3	Field 639501-7			No	Field ass'y 526011-2			9020L & 9027L for U.S.A. & Canada only
3	Field 636003-4			No	Field ass'y 526013-8			220V
3	Field 636004-2			No	Field ass'y 526014-6			240V

*Interchangeability list continues to the next page.

Interchangeability(I/C)

(List 1)

Item No.	Current part		Q'ty	I/C	New part		Q'ty	Note
B2	-----				Motor housing ass'y 134767-9		115V	<ul style="list-style-type: none"> • Includes the new field ass'y. • For replacement of the current field. • Components are as in List 2.
B4	-----				Motor housing ass'y 134769-5		220V	
B5	-----				Motor housing ass'y 134770-0		240V	

Repairing

1. Of Pre-modified Machines

- The current motor housing in Fig.1 (Pt no. 125036-9) remains available for replacement.
- For replacement of the current field in Fig. 2, which has been discontinued, use the new motor housing ass'y in Fig. 3.

2. Of Modified Machine

- Each component of the new motor housing ass'y is available for replacement. As to the description of its components, see the following list.

(List 2) **Components of New Motor Housing Ass'y**

				115V	220V	240V
Description			Q'ty	Pt No.	Pt No.	Pt No.
Motor housing ass'y			1	134767-9	134769-5	134770-0
Components	Field ass'y		1	526011-2	526013-8	526014-6
	Motor housing		1	←-----→	182815-8	←-----→
	Lead ass'y(orange)		1	←-----→	536011-4	←-----→
	Lead ass'y(purple)		1	←-----→	536012-2	←-----→
	Insulated connector		2	←-----→	654552-9	←-----→
	Band		1	←-----→	687010-0	←-----→

Implementation

9027: From serial No. 32251E
 9027S: From serial No. 13553E
 9029: From serial No. 81055E
 9029S: From serial No. 65301E

Note

As to the products of Makita Manufacturing Europe Ltd., this modification will be implemented around September 1995.
