

- Subject** ▶ Modification of Ball Bearing DDW
- For Models** ▶ HR4000C
- Country** ▶ All countries
- Description** ▶ As illustrated below, material of Ball Retainer in Ball Bearing DDW (item No.100 of Parts List) has been changed from sheet steel to nylon for further improvement in durability.
As the current bearing and the new cannot be distinguished by appearances, a new part No. has been given to the new bearing.
