

<p>MODEL</p> <p style="text-align: center;">RB397, RB217</p>	<p>BULLETIN NO. RB397-MK1</p> <p>Date of Change Jan , 2011</p>
---	--

In order to improve stability of brake parts for RB397 and RB217, three parts were changed (Rotary Pin, Plate A, Pin 2113). Also, Rotary Pin in the Brake Assembly was changed to new version. If you change one of 3 parts to new version, please change the rest of 2 parts to new version, too. Old Plate A (RB11978) was glued to the Frame L, but please DON'T GLUE new Plate A(RB12236) to the Frame L. *These parts are already used for RB397 and RB217.
